Subject: Corrected Version of Table 2 for Gulfco BERA WP-SAP

Hi Gary –

Please find attached a corrected version of Table 2 for the Final Baseline Ecological Risk Assessment (BERA) Work Plan & Sampling and Analysis Plan (WP-SAP) dated June 22, 2010 for the Gulfco Site. As I mentioned in our conversation earlier this week, several typographical errors and inconsistencies with the WP-SAP text were identified in the version of Table 2 originally included in the June 22, 2010 WP-SAP. Please remove the previous version of Table 2 from the WP-SAP and replace it with this corrected version. I am sending a hard copy of this corrected table to the full WP-SAP distribution list.

Please let me know if you have any questions or comments.

Thanks.
